

# SEIZE THE DAY.

WANT TO GROW YOUR BUSINESS?  
WE CAN HELP YOU GO FURTHER.

INTRODUCING THE GROWTH SERVICE FROM G.

G is for ambitious leaders  
of dynamic small businesses.

Brought to you by Grant Thornton.

[g.grantthornton.co.uk](http://g.grantthornton.co.uk)

## THE GROWTH SERVICE.

Do you spend too much time working in your business not on your business? Help is here. Join thousands of small business leaders using our services to support their growth.

### Benefits of The Growth Service:

### UNIQUE PLANNING.

We develop a growth plan that's unique to you, addressing your specific growth challenges.

### PROACTIVE SUPPORT.

You'll have a dedicated Account Manager, supporting the delivery of your growth plan.

### QUALITY LEARNING.

You'll be able to access high quality insights and tools that will keep you ahead.

### EXPERT NETWORKING.

Meet a rich network of like-minded business leaders and experts in our business lounges.

## HOW IT WORKS.

The Growth Service adapts as your needs change. Provided by an experienced team that truly knows you, this service will help you overcome the barriers to growth.

### Experience The Growth Service:

#### 01: We start by understanding you.

We spend time with you building a deep understanding of your growth challenges and opportunities.

#### 02: Developing your growth plan.

Working together, we'll develop a personalised growth plan setting actionable and measurable goals.

Your Account Manager is there to support the delivery of your growth plan.

There will be lots of opportunities to meet with other business leaders.

We'll make sure you're able to connect to the right experts across our network.

And you'll always be able to access quality insights from us.

#### 03: Choose your growth workshops.

You'll be able to choose from over 30 growth workshops on challenges faced by growing businesses.

We'll help you choose the right workshops that match your growth plan.

#### 04: Constant progress updates.

We conduct regular progress reviews and updates to ensure the plan matches your needs and helps you stay on track.

This enables us to constantly enhance and refine your growth plan.

## LEARNING OPPORTUNITIES.

Our growth workshops provide practical solutions that help you grow your business. We constantly update content and topics to match business needs and latest thinking.

### For you and your management team:

**There are over 30 workshops, with new topics added every month. Here's a selection of topics:**

- Financing for growth
- Better financial management
- Mastering social media strategy
- Improving operations and logistics
- Going international
- Sustaining innovation
- Delivering new product development
- Getting found online
- Mastering buying and merchandising
- Better leadership and management
- The power of brand identity
- Choosing the next location
- Dealing with regulations and legislation

**For a full list of workshops, contact us.**
