

15 Key Reasons Why You Should Be Talking to Elman Wall, The Travel Accountants

1

Just like you, we are Travel Industry experts.

Quite simply with travel, there is more to get right...or wrong.

2

Our excellent relationships with leading regulatory authorities and bodies means you are always kept up to date with necessary requirements.

3

We have won national awards for Best Independent Firm, Best Tax Practise and Best Employer, as well as many other awards.

4

An Audit for us is not just about the past. We use it as an opportunity to review current performance and proactively prepare for the future.

5

TOMS VAT can be a complex minefield but we have the UK's leading Travel VAT & TOMS experts devoted to the needs of the travel sector.

6

Our award-winning Travel Tax Team has an outstanding proven track record of saving travel businesses tax – also an 100% success rate with HMRC for R&D relief!

7

With a thorough understanding of the market, Summit Advisory, our in-house M&A arm, is perfectly placed to help you grow, acquire or sell your business.

8

EWHR was formed to help our clients solve people related issues in their businesses as well as set up best practice HR processes and procedures.

9

In most cases, our fees are no more than you currently pay a non-travel specialist accountant. You have nothing to lose and everything to gain.

10

As well as our internal expertise, we act as a Travel Industry hub and have up to date contacts with specialists such as credit card acquirers, travel lawyers and bonding specialists

11

As a client, not only is your business looked after, but you are too. We help minimise your personal tax without ever jeopardising your company's future success.

12

The Elman Wall Travel Directors' Summit is the UK's leading one day event for owners of travel businesses. As a client, you receive a complimentary invitation.

13

Our Directors' Masterclasses, which we run for many leading Travel trade associations, are held regularly and are on a complimentary basis for our clients.

14

With a 96% client retention rate, numerous testimonials and clients happy to recommend us, we can prove how we add real value to your business.

15

Our award-winning sister firm, Cavendish Ware Wealth Management, are experts in building personal wealth and protecting you and your business from areas of risk.
